

Hello and welcome to TRPR's Fall basketball season. As we move activities indoors things might look and feel a little different than what we've done in the past. Below is a list of new protocols that we are implementing for the upcoming basketball season.

- All players, coaches and spectators will be subject to a temperature check upon entering the facility before each practice and game. They will also be required to write their name down on the check-in sheet as they enter the facility.
- For games, all **4U and 6U teams** and guests will enter through the doors on the **north side** of the facility and play their games on the **north court**. All **1st & 2nd grade girls and boys** teams and guests will enter through the **main entrance** on the **west side** of the facility and play their games on the **south court**. After the game is over please leave through the same doors you came in.
- For practices, all teams and guests will enter through the main entrance and go to the court your team has been assigned.
- Each player will be allowed 2 guests only for each practice and game. All others will be turned away.
- All coaches and spectators are required to wear masks at all times while in the facility.
- Referees will be required to wear masks at all times in the facility except for when they are refereeing the game.
- Players are not required to wear masks although they are certainly welcome to.
- All players, coaches and spectators are asked to leave the facility immediately following their game or practice.
- Failure to adhere to any of these protocols will be cause for removal.

Thank you for participating and your patience and understanding as we try to navigate through these strange times.
