

THOMPSON RIVERS PARKS AND RECREATION DISTRICT

From Athletics Department

To TRPR Community

Team Formation Policy:

February 15, 2023

This policy applies to the formation of teams in all youth sports programs offered by Thompson Rivers Parks and Rec District (TRPR). This includes but not limited to Basketball, Soccer, T-Ball, Softball, Baseball, Flag Football, and Volleyball.

TRPR cannot accept requests to play with friends. Additionally, coaches cannot request specific players for their teams, except for their own children. TRPR and The Athletics Department believe that playing with new teammates provides children with opportunities to make new friends outside of their school.

Volunteer coaches will determine the availability of practice day and time. Registration must be done on time otherwise; team placement will be determined by available space on teams and the amount of coaches who volunteer.

TRPR caps team rosters to enhance player development and enable children to play the game as much as possible. The Athletics Manager will not place more than double the number of participants that can play on a field or court at one time (example: 5v5 max. # is 10). Limiting roster size also allows TRPR to order a uniform for each player in a timely and cost-efficient manner.

This policy is effective February 27, 2023.
