

Athletics Inclement Weather Cancelation Policy

Inclement weather poses unique challenges to athletics operations. The seasonal and geographical frequency of such events impact not only the members but coaches, staff, and administrators who may live some distance from game and practice locations. Decisions are made to keep those who participate and any staff or administrators safe.

Sports affected by inclement winter weather:

- Soccer
- Youth and Adult Volleyball
- Youth and Men's Basketball
- Adult Kickball

Sports affected by all other inclement weather

- Tennis
- Flag football
- Youth and Adult Softball
- Baseball
- T-ball/coach pitch
- Track & Field
- Horseshoes

Sports offered by TRPR:

- Youth sports
 - Spring and fall soccer
 - Fall and winter basketball
 - Tennis
 - Flag football
 - Baseball
 - Softball

 - Volleyball
 - Track & Field
- Adult sports
 - Men's basketball
 - Volleyball

- o Softball
- o Horseshoes
- o Kickball

Weather Hotline

When canceling any athletics, we use the weather hotline as communication to all participants. When a program is canceled due to weather the message is changed to notify everyone who calls. An automated message will give the updated status of practice or games. Either call 970-572-7888 or sign up for automatic texts and updates by downloading the app. A decision to cancel a practice will be made by 3pm the day of, depending on the severity. Games will be determined the day before depending on the severity or the morning of.

Process
